Dear colleagues and friends,

I have the pleasure to welcome you at The 5th International Symposium of Serbian Surgeons held in Serbia.

This event is organized by Clinic for abdominal, endocrine and transplantation surgery, Clinical center of Vojvodina and Surgical Section of Serbian Medical Society. The meeting will be supported by International Association of Surgeons, Gastroenterologists and Oncologists (IASGO-Serbian chapter). During the symposium we will be honored to hear the presentations some of the worldwide famous hepato-biliary-pancreatic, laparoscopic and transplantation surgeons. We appreciate every opportunity to exchange know-how and knowledge with our international colleagues and I am extremely happy with the fact that our young surgeons will have a chance to be trained by some of the wellknown world wide surgeons.

On behalf of the organizing committee I wish you all a pleasant and beneficial time during the Symposium.

We look forward to meeting you in Novi Sad.

Sincerely,

Prof.dr Zoran Milošević
Symposium President

Dear colleagues and friends,

It is my great pleasure and honour to invite you, on behalf of the Surgical Section of Serbian Medical Society, to participate on 5th International Symposium of Serbian Surgeons in Novi Sad.

The Surgical Section of the Serbian Medical Society, with over 700 members from all surgical centres in Serbia, marked 67 years of its educational work for surgeons in Serbia. With 6-8 accredited professional symposiums a year, each time in the second largest surgical centre in Serbia, we want to continuously improve knowledge, surgical skills, but also to socialize and know each other better. Therefore, our activities are focused on professional development and affirmation of surgery in Serbia through the international cooperation with special attention that is given to the cooperation of surgeons in the region.

The list of distinguished speakers and the topics that will be covered guarantee a high level of quality of the forthcoming meeting.

Finally, I welcome you all to Novi Sad, wish you a successful exchange of knowledge and experience and have a pleasant stay in wonderful Novi Sad.

Respectfully,

Prof.dr Nebojša Stanković
President of Surgical Section of SMS

Za život i posle života

Šansa za novi život

Donorska mreža Vojvodine

Stotine hiljada ljudi širom sveta boluje od teških neizlečivih bolesti. Ovim bolesnicima kako bi se produžio i poboljšao kvalitet života neophodno je presađjivanje organa.

Svaki potencijalni davalac organa ujedno je i potencijalni primalac organa.

Tvoja odluka predstavlja nekome „Šansu za novi život“.
